

Mainnovation goes international!

If you are interested in experiencing what Value Driven Maintenance® is all about you get to pick the when and where this fall: You can attend a lecture from one of our experts, have a face-to-face, in-depth conversation at an exhibition or experience the benefits of VDM yourself by joining the Value Driven Maintenance Business Experience.

Please find below a quick overview of where you can find us this fall. For more information check the events page of our website!
